carpet extractor

**FOR ALL CARPETS &
UPHOLSTERY, NATURAL &
SYNTHETIC FIBER**

The proper blend of cleaners to thoroughly clean all types of carpeting including nylon, cotton, wool, acrylon, and other blends of carpet materials. Carpet and upholstery look like new.

CONCENTRATED

Concentrated. This product is so concentrated that it must be diluted for use; up to 1 part cleaner to 200 parts water. High dilutions make this product economical for use in all type of carpeting.

**WORKS WITH HOT
OR COLD WATER**

A superior product blended to work with hot or cold water. A temperature of 120F is recommended for best cleaning results.

QUICKLY REMOVES SOIL

Removes all heavy soil including grease, dirt, oil, and stains. Optical brighteners enhance that "just cleaned" appearance.

DESCRIPTION

This product is a blend of detergents, specifically designed for steam or hot water extraction type carpet cleaning. This superior shampoo will quickly cut through soil and grease, and brighten the fiber instantly. Carpet and upholstery look like new. There is no film left on carpet or upholstery either. High dilutions make this product economical for use on all types of carpeting.

APPLICATION

Formulated for use in steam carpet cleaning machines and hot water extraction machines.

DIRECTIONS

Vacuum carpet thoroughly to remove physical soil and dirt.

Pre-treat spots and soiled traffic lanes with the proper chemicals. This product should be diluted to yield a dilution of 200 to 1 of solution sprayed into the carpet. Actual dilution may vary according to the machine being used. Groom carpet with pile brush after cleaning.
