DESCRIPTION

This rubber lubricant is ideal for mounting and dismounting tubeless tires. An excellent product that can be used to remove and prevent squeaks on rubber mounting parts and fittings. An ideal product to clean and restore all leather and plastic.

APPLICATION

For use on tires, whitewalls, rubber parts
Restores and cleans leather, plastic, etc.
Used by gas stations, auto dealers, repair shops, tire shops, rebuilders

DIRECTIONS FOR USE

MOUNTING: Clean rim and free edges with AMAZALL™ RUBBER LUBRICANT. Wipe dirt and soil free. Apply tire lubricant with spray gun or applicator to bead area. Lubrication helps seat tire bead properly without scuffing or damaging bead.

DISMOUNTING: After breaking bead, apply RUBBER LUBRICANT to bead areas. This will prevent damage to bead sealing areas by tire dismounting tools.
