DIRT
SOIL
- THICK - CLINGS
- FOAM - STAYS IN
PLACE TO WORK
- WIPES CLEAN
- TIME SAVER

DESCRIPTION

A powerful heavy duty foam stripper that penetrates and lifts away old wax, finishes and soil. Excellent for use on baseboard, coves and stair risers. Contains penetrating agents, soil suspension agents, thickeners and solvents. A gel form that clings to vertical surfaces allowing the cleaner to go to work loosening up the old yellow wax buildup and heavily burnished finishes. Wipes clean. Leaves no residues. For severe build up, agitate with a brush or machine strip pad.

An added value: Use on ceramic tile.

FEATURES • BENEFITS • USES

- No drip foam clings to most vertical surfaces
- Spray nozzle sprays in an inverted position for pinpoint accuracy
- Thixotropic formula clings and will not run on vertical surfaces

FOR USE ON: Baseboards; Coves; Corners; Stairs and
Risers; Tiles, Porcelain, Enamel Surfaces; Ceramic

Excellent spot stripper for small floor areas
