## **DESCRIPTION**

Lemon oil furniture polish. Emulsion type product that dusts, cleans and polishes in one easy operation. Contains refined natural and synthetic oils selected for viscosity and penetration. Formulated to enhance the original beauty of any wood finish. It provides long-lasting protection that won't build up or yellow. It affords a simple way to clean, shine, and polish in one easy application. Removes dust, stains, smudges and fingerprints, leaving a clean, bright, pleasantly scented polished surface. Protects light or dark finishes on fine furniture and woodwork. Can also be used on metal desks and cabinets.

## **FEATURES • BENEFITS • USES**

- Thick creamy polish dispenses easily
- Leaves a durable long-lasting shine
- Leaves a protective film that allows fingerprints and smudges to be wiped away effortlessly
- Cleans, polishes and dusts in one operation

USE ON: Wood: Furniture, Cabinets, Desks; Vinyl,  
Laminate Surfaces; Fiberglass; Metal
