remover

## GANG BUSTERS

- **CLINGS**
- **CLEANS**
- **EASY TO USE**
- **ECONOMICAL**

## DESCRIPTION

A powerful combination of solvents for removing most markings found in public places such as road signs, sidewalks, bridges, busses, trucks and buildings. Removes most types of vandal marks from hard surfaces. For use on porous surfaces like brick, stone, masonry, cinder block, marble, cement, etc. Chemical action dissolves paints and other vandal marks quickly. Agitate and flush with water. Not for use on previously painted surfaces. Will not harm aluminum, steel, glass, concrete, porcelain, brass, chrome, marble, brick, and most enameled surfaces. Holds on vertical surfaces allowing the formula to work for an extended period. Easy and economical to use. Is safe for use on most surfaces including lockers, desk tops, restroom walls, signs and concrete.

### FEATURES • BENEFITS • USES

- Removes the most severe vandal marks from porous stone and masonry surfaces
  - Product is a thick gel which clings to vertical surfaces and penetrates porous surfaces
  - May be rinsed with water or wiped with a rag
- Use on Porous Surfaces Like:
- |              |          |
