

stainless steel and metal polish

SS EXPRESS

- **CLEANS**
- **POLISHES**
- **PROTECTS ALL
METAL SURFACES**

DESCRIPTION

Cleans and polishes all stainless steel surfaces. Lemon scented. Formulated to remove dirt, grease and food deposits from stainless steel, Formica and other laminated plastic surfaces. Contains cleaners and emulsifiers for grease and water soluble soil. No harsh abrasives that can scratch and consequently dull plastic surfaces. A water emulsion formula that does not leave an oily residue. Cleans, polishes and preserves the high luster of stainless steel and other metal finishes. Forms a finish that is streak-free and resists water marks, stains, water spots, grease and fingerprints.

FEATURES • BENEFITS • USES

- Helps restore original luster
- Prevents finger marking and rapid resoiling
- A general purpose stainless steel and metal cleaner and polish
- Sperry polishing agents help restore and maintain original luster to stainless steel equipment
- Regular use helps resist fingerprints and resoiling -- just wipe surface with a clean cloth and marks are gone

EFFECTIVE ON: Aluminum; Zinc; Iron; Stainless Steel;
Brass; Copper; Silver
