- Removes lacquer, enamel, varnish, shellac, acrylics, carbon, tar, gaskets, and other hard-to-remove deposits

Specifications

Packaged:12 aerosol cans per case

Compositional information:Contains Methylene Chloride (CAS#75-09-2); Methyl Alcohol (CAS#67-56-1); Propane (CAS#74-98-6); Isobutane (CAS#75-28-5); n-butane (CAS#106-97-8).

Directions

1. Spray at 8-10 inches distance, in an even pattern.
2. Allow product to blister -- dissolving action continues for several minutes after initial blistering.
3. Repeat if necessary on severe buildup.

Precautions

DANGER: KEEP OUT OF THE REACH OF CHILDREN. Do not puncture or incinerate container. Do not store at temperatures above 120 °F. Do not place near source of heat, radiator or in direct sunlight. High temperatures may cause the container to burst. Use with adequate ventilation. Avoid breathing spray mist and vapor. Deliberately concentrating and inhaling the vapor of the contents may be harmful or fatal. Inhalation of high concentrations of methylene chloride vapor over long periods of time has caused cancer in laboratory animals. Provide oxygen or fresh air if overcome by vapor. Keep out of eyes. Wear eye protection while using. Avoid contact with skin. Wear rubber gloves or other nonporous hand protection while working with materials. This product is intended for industrial and commercial use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss or damage if product is used in any manner not in compliance with label directions or if precautions are not observed. For chemical emergency, spill, leak, fire, exposure or accident, call 1-800-535-5053.

First Aid

EYES: If sprayed in eyes, flush thoroughly with large amounts of water for 15 minutes. Get medical help. **IF SWALLOWED:** Do not induce vomiting. Immediately call a physician. For skin contact, wash with soap and water.

WARNING: This product contains a chemical known to the State of California to cause cancer.
