Uses

- All Electrical Equipment
- Computers
- Relays
- TV & Satellite Components
- Switches
- Telephone and Communication Equipment

Specifications

Packaged: 12 aerosol cans per case

Compositional information: Contains Dichlorofluoroethane (CAS#1717-00-6); Carbon Dioxide (CAS#124-38-9).

Directions

Spray at 6-8 inches -- floats dirt and other harmful elements away instantly.

Precautions

KEEP OUT OF THE REACH OF CHILDREN. Use with adequate ventilation. Avoid breathing spray mist and vapor. Deliberately concentrating and inhaling the vapor of the contents may be harmful or fatal. Do not take internally. Keep out of eyes. Avoid frequent or prolonged contact with skin and eyes. Do not puncture or incinerate container. Do not store at temperatures above 120 F. Do not place near source of heat, radiator or in direct sunlight. High temperatures may cause the container to burst. Do not spray directly into open flames or onto hot surfaces, as contents decompose and produce toxic gases. This product is intended for industrial and commercial use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss or damage if product is used in any manner not in compliance with label directions or if precautions are not observed. For chemical emergency, spill, leak, fire, exposure or accident, call 1-800-535-5053.

First Aid

EYES: If sprayed in eyes, flush thoroughly with water for 15 minutes. Get medical help. IF

SWALLOWED: Do not induce vomiting. Immediately call a physician. For skin contact, wash with soap and water. Provide oxygen or fresh air if overcome by vapor.
