- ALMOST ANYWHERE

From waste containers to locker room, from sickrooms to washrooms, this refreshing spray deodorizes any place an objectionable odor may occur

DESCRIPTION

This is a highly concentrated liquid deodorant--specially formulated to suppress and control bad odors by neutralizing the malodor, deactivating the source of the odor and providing a clean, pleasant fragrance to the surroundings.

APPLICATION

• ODOR COUNTERACTANT AIR FRESHENER CONCENTRATE

Use in shampooing and cleaning solution; as an air freshener, spray on carpets, drapes or upholstery; in chemical toilets, dumpsters, hospitals, nursing homes. Use on any type of floor; in fish markets; sewage treatment plants and is ideal for restrooms; urinals, toilets and lavatories. Product is compatible with any cleaner/disinfectant, as well as floor strippers and any carpet care cleaner/system.

DIRECTIONS FOR USE

- FOR WET MOPPING - Add two (2) ounces concentrate per gallon of cleaner/disinfectant solution. Severe malodors may require more.
- DEODORIZING SPRAY - Add two (2) ounces of concentrate with water per quart spray bottle. Spray using a fine mist sprayer.
- CARPET CARE - Add one (1) ounce of concentrate to each gallon of carpet cleaning solution.
