DESCRIPTION

A dry, solvent based cleaner for interim carpet maintenance. Non-flammable, quick drying formulation leaves no residue and can be used for a variety of carpet cleaning methods.

APPLICATION

ROTARY BONNET BUFFING - Spray on for quick, light cleaning. Immerse in bucket for short-drying-time, heavy duty cleaning. PRESpray - Prior to extraction cleaning. HAND MOP APPLIED - Immerse mop for convenient cleaning. ALL PURPOSE SPOTTER - Combination of detergents and special solvents removes most stains, whether water or grease and oil based.

DIRECTIONS FOR USE

LIGHT CLEANING - Dilute 1 to 8 parts with water, spray the carpet and bonnet - then rotary machine buff.
HEAVY DUTY CLEANING - Submerge bonnet in 1 to 8 dilution. Wring out and buff with rotary machine.
PRESpray - Predilute 1 part with 8 parts water and spray heavily soiled areas of carpet before extraction cleaning.
HAND MOPPING - Dilute 1 part with 2 parts water. Submerge and mop carpet surface.
SPOTTING - Use as-is for tough spots and stains.
