

PRODUCENTS CHEMICAL

BRAKE CLEANER/ CLEAR LIQUID/ FRESH

DESCRIPTION

Is specifically designed for cleaning brake parts. This non-chlorinated solvent is fast acting and evaporates quickly and completely. Leaves no residue. Washes away grease, oil, brake fluid, and impacted dust without affecting metal, rubber or linings and pads. May be used on any type of brake equipment, assembled or disassembled: brake drums, wheel cylinders, master cylinders, disc pads, linings, return springs, power and vacuum assisted components and all other metal brake parts. Ideal for use on autos, trucks, trailers, campers, mobile homes and motorcycles.
