CLEANS - POLISHES PROTECTS

Removes stubborn film, dirt and smudges, leaving a clear, micro-smooth, high luster without streaking.

CLEANS GLASS PLASTICS & PLEXIGLAS

Solvent free. Odor free. Removes all sorts of stains, spots from glass with ease.

FAST AND EASY TO USE

Spray on and wipe off. Quickly cleans -- polishes most hard surfaces -- especially plastic windows, door panels and mirrors. Eliminates the use of chamois, window brushes, squeegees and pails.

CONTAINS NO ABRASIVES & NO OILS

Can be used confidently on plastics and plexiglas. Will not scratch surfaces or leave an oily residue to attract dust, dirt and fingerprints.

DESCRIPTION

BRIGHTENS & CLEANS GLASS, PLASTICS, & PLEXIGLAS

VOC and Odor free - both important for IAQ

This glass cleaner effectively cleans, brightens, polishes glass, windshields, mirrors, and windows. It is solvent-free and can be confidently used on plastics and plexiglas. It contains no ingredients which are harmful to painted or varnished surfaces around glass. This cleaner removes all sorts of stains spots from glass with ease and eliminates the use of chamois, window brushes, squeegees and pails.

APPLICATION

For use on any surface not harmed by water
For windows, mirrors, chrome, enamel, plastics, plexiglas

DIRECTIONS FOR USE

Application with a sprayer or atomizer is the simplest method; simply spray a few drops on glass or other surface and wipe off with a clean lintless, soft cloth. Rubbing is not necessary; ordinary wiping is sufficient. May also be used by placing a few drops on the cloth, then apply to glass and wipe off with another clean, soft cloth.
