DESCRIPTION

This special cleaner is an effective, easy to use chemical cleaner to remove stains and deep clean brick, terrazzo, concrete and stone walls and floors. It dissolves rust, scale, lime and corrosion, concrete, mortar, and mineral accumulations. Can be used on occasion for restorative cleaning and destaining.

APPLICATION

Chemical cleaner developed for the construction industry to reduce clean up costs. Dissolves the carbonates, and thus facilitates removal of excess mortar from walls, sidings and floor areas.

Effective in removing excess plaster from unwanted areas.

Excellent for removing Portland cement, lime or concrete from machinery, transit forms and cement mixers.

DIRECTIONS FOR USE

Apply full strength to remove heavy deposits. Use stiff bristle wall scrub brush. Product can be diluted with equal parts of water for the removal of light accumulations.

SPECIFICATIONS

Packaged: Drums, 5- gallon Enviro-pak
Appearance: Clear liquid
Odor: Characteristic
pH: 1.00
Flash point: None. Non-flammable
Solubility in water: Complete
Detergency: Complete
Acid type: Hydrochloric
