## DIAMOND BRITE

glass and  
hard surface  
cleaner

### **BRIGHTENS AND CLEANS GLASS**

Effectively cleans, brightens and polishes showcase glass, windshields, mirrors, windows, reflectors and all glass surfaces.

### **CLEANS MOST HARD SURFACES**

Contains no ingredients which are harmful to painted or varnished surfaces. Cleans metal, porcelain, and other hard non-porous surfaces.

### **FAST AND EASY TO USE**

A small amount sprayed onto the dirty surface instantly surrounds and lifts soils from glass, windows, mirrors, metal and other hard nonporous surfaces. Contains no abrasives, therefore, it cannot scratch polished surfaces or wear off porcelain or tile surfaces.

### **NON-STREAKING**

This unique formula dries rapidly leaving a clean surface which is free of streaks and hazy after-film.

## **DESCRIPTION**

This powerful formula instantly attacks and loosens dirt, fingerprints, smudges, etc. from glass, windows and almost any hard non-porous environmental surface. Glass cleaner is non-abrasive and dries leaving a clean surface which is free of streaks and hazy after-film.

## **APPLICATION**

*For use on any surface not harmed by water*

## **DIRECTIONS FOR USE**

Application with a sprayer or atomizer is the simplest method; simply spray a few drops on glass or other surface and wipe off with a clean lint free, soft cloth. Rubbing is not necessary; ordinary wiping is sufficient.

May also be used by placing a few drops on the cloth, applied to glass and wiped off with another clean, soft cloth.
