

PRODUCENTS CHEMICAL

DUAL ACID TILE CLEANER/MILD SOAP SCUM REMOVER

New and improved! A refreshing cleaner easily applied with trigger sprayer, sponge or soft cloth. Removes scum left from soap and grime. Rinses away easily. Leaves surfaces sparkling clean and film-free.

FEATURES

HEAVY DUTY SURFACE CLEANER

LEAVES SURFACES SPARKLING CLEAN

ECONOMICAL
VERSATILE
HIGHLY CONCENTRATED

BENEFITS

Water minerals such as calcium and magnesium disappear in the presence of this product, while it dissolves grease, body oils and soap scum.

A special blend of detergents make this product great for cleaning all types of fixtures and surfaces. It is designed to remove dulling soap, lime and organic residue films from numerous surfaces such as marble, terrazzo, porcelain, formica, chrome and stainless steel.

Dilution up to 1 part cleaner to 60 parts water still cleans. Dilution varies de-pending on condition of equipment, amount and type of soil. One product cleans many surfaces--saving the cost of buying and storing many different cleaners.
