

PRODUCTS CHEMICAL

DUST MOP TREATMENT

water soluble
dust mop
treatment

SOLVENT FREE

Does not produce an oily film to attract dirt
Inherently biodegradable Dust mop treatment
product is not combustible
Does not leave a petroleum distillate malodor

DESIGNED FOR USE ON ULTRA HI- SPEED FLOOR FINISHES

Actually enhances the appearance and
prolongs the life of ultra high
speed floor finishes
Product is non-flammable, water soluble and
compatible with today's high gloss finishes.

IT'S GOOD FOR FLOORS

Dirt adheres to the dust mop and cloth This dust
mop treatment reduces wear and abrasion by
removing sand, dirt and other gritty materials from
the floor.

RECOMMENDED FOR DUSTING AND CLEANING MANY SURFACES

Dust mop treatment can be used on all resilient tile,
wood floors, synthetic sports floors, concrete, ceramic
tile, wood cabinets

ECONOMICAL AND EASY TO USE

This water emulsion dust mop treatment is
ready to use.

Simply spray on mops and cloth There is no oily
residue to attract dust Dries quickly

DESCRIPTION

This dust mop treatment is a water-base product designed for use on dust mops and dust cloths. When sprayed lightly, it quickly picks up dust, lint and other soil. Because it is water-based, there is no oily residue to transfer to the floor which attracts dust and could create a safety problem. It is solvent-free, odor-free and inherently biodegradable.

APPLICATION

This specially formulated dust mop treatment enhances the appearance and prolongs the life of ultra high speed floor finishes. Reduces wear and abrasion. Leaves surfaces shining. Keeps dust from returning to the air.

Floors • Walls Furniture Tables Desks Appliances Tile Leather
Formica Cabinets Plastic Painted Surfaces

DIRECTIONS

1. Apply Dust Mop Treatment with a trigger sprayer at a rate of 2-3 oz. per 12 inches of mop head length, or apply directly to dust cloth.
2. Hang or lay out flat for 4 or more hours to allow water to evaporate before use.
3. Repeat as necessary.
4. Dust and soil readily release during laundering. Follow mop manufacturer's directions to launder.

SPECIFICATIONS

Packaged: Drum, 5 gallon pail, 4- 1 gallons
Appearance: Green liquid
pH: 7.00
