ENGINE WASH

concentrated
cleaner
degreaser

HIGHLY CONCENTRATED

... for dependable cleaning. This concentrated emulsion cleaner and degreaser is a scientific blend of solvent-based ingredients for cleaning and degreasing quickly and easily. Works effectively either when sprayed or wiped onto the surface. It works equally well in a dip tank.

FLUSHES GREASE &

Solvent-based formulation loosens heavy grease and soil so that a simple hosing with water will emulsify the grease, dirt and solvent and wash them away.

DEEP CLEANING

Concentrated for deep cleaning and economy. The concentrated quality of this product goes to work instantly on the extremely heavy soils. For normal applications the product can be diluted 4-5 parts with kerosene or other solvents.

NON-CORROSIVE -- USE AS A RUST PREVENTATIVE

Spray or wipe a light film of full strength product onto previously cleaned surfaces to prevent rust and corrosion.

DESCRIPTION

A low toxicity solvent type cleaner for washing oily and greasy soils from automotive engines and compartments, transmissions, axles, etc. Formulated with a wetting agent to improve solvent penetration into soil and an emulsifier to flush cleaned surface with water.

APPLICATION

*By suitable method, apply product generously to soiled area and allow to stand .
Agitate if necessary. Flush with water using hose or pressure washer.*
Effectively removes oil, grease and general soil from auto and truck engines and engine compartments

DIRECTIONS FOR USE

Apply solution generously to all soiled areas and allow to stand for 15 to 20 minutes, or longer if soil is extremely heavy. Agitate heavy buildups with brush if necessary. Flush with clear water using hose or pressure washer.

SPECIFICATIONS

Packaged: Drums, 5- gallon pails
Appearance: Clear liquid
Fragrance: Characteristic
pH (of concentrate): 6.00
Emulsification: Excellent
Rinsability: Complete
Flash point: 140F

PRECAUTIONS

Keep out of reach of children. Combustible liquid. Keep away from heat and open flame. Keep container closed. Use with adequate ventilation. Avoid breathing vapor. Do not take internally.
