For stains caused by oil, grease, soft drinks, coffee, liquor, food, pets, urine, chocolate on carpets, rugs, upholstery.

SPOT REMOVER

DESCRIPTION

This new and different stain, spot and odor remover is nonflammable, has a pleasant aroma, free from chlorinated solvents, easy to use, yet quick and efficient. It removes difficult spots and stains. This select blend of highly active bacterial and chemical ingredients works very satisfactorily on old or new spots.

APPLICATION

When used as directed removed old or new spots, oil, fats, creams, makeup, lipstick, face cream, chocolate, marmalade, liquor, coffee, grass, water, animal fats, stamp pad ink, typewriter ribbon smears, ball point ink spots, crayola, shoe polish and floor wax.

DIRECTIONS FOR USE

For grease, oil, creams, always scrap off deposits. Water stains, water rings, beverages, etc., apply Spotter cold and work in lightly with a soft brush or sponge - *do not scrub*. Then towel off with a turkish towel. For pet stains, fingernail polish, gum, and other difficult stains, bring Spotter to a boil and apply to stain or spot using a small spot brush working in the Spotter lightly.- *do not scrub* - then sponge off with a turkish towel or sponge. On pet stains, scoop up urine and fecal matter and apply the Spotter as above.

NOTE: Wool carpets must have attention before carpet turns yellow.
