DESCRIPTION

HY-PER ORANGE a combination of hydrogen peroxide, citrus oil and readily biodegradable surfactants. It is VOC-free for improved indoor air quality. Twenty-first technology and formulation of these ingredients gives the product the ability to significantly reduce the toxicity of a cleaning system and minimize detergent residue, without sacrificing cleaning power. It reduces toxicity by eliminating chemical commonly used in janitorial cleaners. Combining the power of hydrogen per-oxide and citrus oil gives the cleaner the strength to clean up to 95% of your facility with only 2 dilutions.

APPLICATION

Stainless steel, glass and mirrors, restores tile and grout, cleans floors without damage to floor finish, excellent for removing residue from ice melter on floors, removes mold, destroys urine, garbage and smoke odors, carpet spotter/extractor, color safe and people safe.

DIRECTIONS FOR USE

VERY HEAVY CLEANING: For cleaning engines and exhaust stains from trucks and buses. **For** removing grease and oil from machinery and equipment, for cleaning metal in dip tanks. Start with a dilution of 1 part CLEANER with 10 parts cold or warm (not hot) water, and dilute this solution until a good cleaning job is achieved at the most economical dilution rate. No hard scrubbing is required. Just apply the solution, let it soak in, and rinse off with water.

FOR LIGHT CLEANING JOBS: For removing grease, grime, lipstick, crayon marks and rubber burns. Excellent for cleaning the bathroom tub and tile, floors, removing soap scum, grease and dirt from ovens, exhaust fans, hoods, and other equipment. Mix 1 part of Cleaner with 50 parts water. Apply, let stand, and rinse with clear water.

SPECIFICATIONS

Packaged: Drums, 5- gallon pail, 4x1 gallons
Appearance: Clear liquid
Fragrance Orange
pH: 6.0

CONTAINS NO ACIDS, ALCOHOL, AMINES, CAUSTIC, CHLORINE BLEACH,
PHOSPHATES, GLYCOL ETHER

Solubility in water: Complete

Not corrosive to skin or eyes
