

ODOR CONTROL

odor counteractant and
deodorizer

STOPS ALL ORGANIC ODORS

The unique formulation is designed to eliminate all organic odors at their source. This product is a highly potent deodorizer that neutralizes and cancels foul odors caused by smoke, flood, vomit, urine, etc., by mechanically enveloping them.

LEAVES NO MASKING PERFUME

An unmatched citrus fragrance -- the pleasant scent to deodorize without leaving an overly perfumed aroma.

EFFECTIVE FOR DIFFICULT ODOR

Can be used in sewage plants and sludge beds, manholes, catch basins, storm sewers, drainage ditches, creeks and canals, city dump, refuse cans and trucks, in toilet basins that empty into septic tanks.

MULTIPLE USES ON MULTIPLE ODORS

Odor Control is effective for multiple odor problems by attacking the offensive problem at its source. Controls odors in hotels, motels, hospitals, nursing homes -- anywhere a repulsive odor exists.

EASY TO USE

May be used in a mop bucket, with extractor equipment, sprayed with water or fogged. Spray on -- Mop on -- Allow to work. No rinsing.

CONCENTRATED

Economical. One gallon of concentrate makes up to 128 gallons of ready-to-use solution. The citrus fragrance creates a refreshing surrounding.
