

PRODUCTS CHEMICAL

Orange Blossom II natural organic degreaser

ALL NATURAL CITRUS BASED

From the peels of oranges comes this heavy duty cleaner. Eliminates heat generation. Slices through built-up grease.

NO HARMFUL ABRASIVES

Controls slime and odor. Non-corrosive. Non-caustic. Non-acid.

POWERFUL DRAIN OPENER

Drain maintainer. Pour into drain pipes/grease traps to dissolve grease, slime, soap scum.

ODOR CONTROL

Apply with spray to problem areas; rubbish piles, dump-sters, garbage cans.

DESCRIPTION

This natural organic degreaser is a completely new approach in one-step slime, odor and grease control. It is noncorrosive and contains no petroleum distillates, organic halides or alkalies. This unique, multipurpose formulation strips grease and heavy oil deposits from virtually any surface. It will emulsify instantly in water at ambient temperature to penetrate and liquefy many different types of resin and grease.

APPLICATION

The perfect product for removal of oily films form metal surfaces, for unclogging drains and grease traps, for removing tar, asphalt and bitumen from most hard surfaces.

DIRECTIONS FOR USE

ODOR CONTROL: Mix two ounces of product to one gallon of cold water. Apply with sprayer to odor problem areas such as rubbish piles, dumpsters, garbage cans, etc. DRAIN MAINTAINER: To open drains pour in solution of one part product to four parts water. Allow to stand for one hour; flush with hot tap water.
