DESCRIPTION

This dish washing detergent is a very mild, lotion product. It is designed for hand dish washing of pots and pans as well as china and flatware. Cleans quickly and thoroughly by detergent action and grease emulsification. It is free rinsing. Utensils air dry without spotting. Forms no scum even in hard water.

APPLICATION

For china, pots and pans, flatware, glassware

DIRECTIONS FOR USE

DISHES: Use 2 ounces to each gallon of water. Submerge dishes for about 1 minute, wipe with cloth, or brush, rinse, sanitize and air dry. **POTS AND PANS:** Use 2 ounces to each gallon water. Soak utensil for a few minutes depending on degree of encrustation. Wipe clean, rinse, sanitize and air dry. **GLASSES:** Use 1 teaspoon to each gallon of water. Wash glassware, rinse in clear water and air dry. Do not towel.
