

PRODUCTS CHEMICAL

PRO RUG SHAMPOO

concentrated carpet
& upholstery
shampoo

FOR ALL CARPETS & UPHOLTERY, NATURAL & SYNTHETIC FIBER

Professionally cleans and brightens any color fast, washable fabric: natural and synthetic fiber. Will not shrink or fade fabrics.

CONCENTRATED FOR ECONOMY

Mix concentrate with up to 55 parts of water. One gallon of concentrate when diluted, will clean over 30,000 square feet of surface.

CARPETS APPEAR : "LIKE NEW"

Built in deodorizers and optical brighteners leave the carpet and upholstery fresh and bright with that *like new* appearance.

LONG LASTING RESULTS

Special polymeric soil barriers provide long lasting protection against resoiling.

Contains biodegradable cleaning agents and/or surfactants.

DESCRIPTION

Concentrated carpet shampoo is formulated for use with rotary and dry foam shampoo equipment. The synergistic blend of detergents and solvents instantly emulsifies grease, dissolves soil, and brightens upholstered surfaces. Will not soak carpet. Dries fast. Leave carpet and upholstery resoil retardant. Any foam residue, dries to a hard crystalline powder which is easily removed by vacuuming.

APPLICATION

Formulated for use with rotary and dry foam shampoo equipment. Professionally cleans and brightens any colorfast, washable fabric. Excellent for wall-to-wall carpets, aisle ways, mats, occasional spots on rugs, or upholstery. Will not shrink or fade fabrics.

DIRECTIONS

FOR CARPETS OR RUGS: Mix CONCENTRATE with 55 parts water. Test fabric for color fastness. Vacuum carpet thoroughly. Apply shampoo to carpet. After completion of shampooing and while carpet is still damp, brush nap for even, professional results. Let carpet dry thoroughly.

FOR UPHOLSTERY: Follow instructions given above. Apply shampoo with applicator in small circular motions, being sure to overlap the previously cleaned area.
