## PURE POWER

Eliminates costly service calls and repairs

Caustic-based drain opener and maintainer

Rapidly solubilizes and dislodges accumulations of fats, grease, oils, soap scum, hair and other organic matter

Contains no hazardous sulfuric acid

Produces no foul-smelling fumes

Economical for periodical use

Keeps drains free-flowing to inhibit sewage overflow

For use in sinks, basins, floor drains, grease traps, slop sinks and cesspools

Harmless to plumbing and septic tanks

Granular caustic-based drain and sewer opener and maintainer. This unique formula contains a powerful blend of alkalis and special metal activators that rapidly solubilizes and dislodges accumulations of fats, grease, oils, soap scum, hair and other organic matter. Contains no hazardous sulfuric acid and produces no foul-smelling fumes. Harmless to plumbing and septic tanks.

For use in: sinks, basins, floor drains, grease traps, slop sinks and cesspools.

Packaged: ..... .50 pound pails  
Appearance: .....Dark Red Powder  
Fragrance: .....Characteristic  
pH (of concentrate): ..... 12.00  
Solubility in Water: .....Complete  
Flash point: .....None. Nonflammable  
Ingredients not toxic under Section 313 of title III, (SARA) and 40 CFR Part 373

Pour slowly or use a dry shovel and add about 30 lbs. into strategic manholes. This product requires water for activation. For every pound use 2 quarts cold water; for 30 lbs. use 15 gallons of cold water. Allow 1-2 hours contact time and if normal flow has not been obtained repeat, but do not add more than 2 lbs. per gallon of water in the line. After blockage is open flush line thoroughly with cold water.

This product is recommended for unclogging drains in food plants where accumulations of organic matter tend to clog drainage systems. Remove strainer from floor drains and add 1 pound of product to every 2 feet of sewer line to be treated followed by 2 quarts of cold water for every pound used. After blockage is open, flush line thoroughly with cold water.

Do not use in toilet bowls, dishwashers, garbage disposals or appliances or in pipes which are directly connected to these devices.

Keep out of reach of children. Do not take internally. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Rinse empty container with water and discard. This product is intended for industrial and commercial use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss or damage if product is used in any manner not in compliance with label directions or if precautions are not observed. For chemical emergency, spill, leak, fire, exposure or accident, call 1-800-535-5053.

EYES: Immediately flush with large amounts of water for at least 15 minutes. Remove contact lenses and continue flushing. Immediately get medical attention. ON SKIN: Remove and wash contaminated clothing before use. Flush contaminated skin with plenty of water. Get medical attention if irritation persists. IF SWALLOWED: Do not induce vomiting or give anything by mouth to an unconscious person. Seek medical attention.
