RIG MASTER

BRUSHLESS TRUCK AND TRAILER WASH

Rig Master is a premium liquid truck and trailer wash concentrate designed to remove exhaust deposits, road film and bug residues from painted surfaces without brushing.

Features

-  Removes exhaust deposits, road film and bug residue
-  Can be used on painted as well as aluminum surfaces.
-  Works with high or low pressure equipment
-  Removes black streaks from RVs
Excellent for washing siding of houses
-  Economical
-  Non-streaking. No haze

Benefits

- Controlled cleaning action quickly cleans -- leaving surfaces film-free.
- The best product to clean the entire vehicle fleet
- No need for brushing in order to clean
- One product -- several applications
- Concentrated. Saves time and labor.
- This unique formula dries rapidly leaving a clean surface which is free of streaks and hazy after-film

TECHNICAL INFORMATION

Uses

ALL PURPOSE -- ALL VEHICLE CLEANER
RAPID EFFECTIVE ECONOMICAL
Trucks, Trailers, Automobiles, RVs, House Siding
Painted and Aluminum Surfaces

Specifications

Packaged: Drums, 5- gallon pails, 4- 1 gallons
Appearance: Clear liquid
Fragrance: Characteristic
pH (of concentrate): 12.00
Detergency: Excellent
Flash point: Not applicable. Not flammable
Ingredients not toxic under Section 313 of Title III, (SARA) and 40 CFR Part 373

Directions

Dilution Rate: Mix 1 part RIG MASTER with 25 parts water for removal of heavy soil or road film without brushing.

Mix 1 part RIG MASTER with up to 100 parts water for light cleaning or to use with brushing.

Apply to dry surface with either high (above 600 psi) or low pressure. High pressure will enhance product performance. Always rinse with high pressure water.

AUTOMATIC CAR WASHES: *Prep Gun:* Mix 1 part with 128 parts water. Apply to dry vehicle, allowing a maximum 15 to 20 seconds before detergent application.

Touchless & Hybrid Systems: Mix 1 part with 128 parts water. Apply to vehicle through high pressure spray equipment. Follow immediately with acidic detergent.

Precautions

Keep out of reach of children. Contains sodium metasilicate. Can cause skin and eye irritation. Inhalation of spray mists or vapor may cause respiratory tract irritation. Do not breathe vapors or spray mist. Do not swallow product. Wear safety goggles and chemical resistant gloves. Use in well ventilated area only. Remove contaminated clothing promptly and wash before reusing. Wash hand thoroughly with soap and water after handling. This product is intended for use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss or damage if product is used in any manner not in compliance with label directions or if precautions are not observed. For chemical emergency, spill, leak, fire, exposure or accident, call 1-800-535-5053.

First Aid

EYES: Immediately flush with large amounts of water for at least 15 minutes. Remove contact lenses and continue flushing. Immediately get medical attention. **ON SKIN:** Flush contaminated skin with plenty of water. Get medical attention if irritation persists. **IF SWALLOWED:** Do not induce vomiting or give anything by mouth to an unconscious person. Seek medication attention.
