Non-yellowing. Non-powdering. Floors stay looking
sharp and clear even under heavy foot traffic.
Economical to use. Slip resistant

DESCRIPTION

This acrylic sealer gives floors a tough, brilliant finish that requires little maintenance. It is very hard, durable, detergent resistant. Protects floors for years. May be used on all types of resilient tile, concrete, wood, terrazzo, and marble.

APPLICATION

Easy to apply to all floors
Vinyl, rubber, asphalt, wood, steel, terrazzo, concrete, linoleum
In: Super markets, schools, showrooms, car dealers, offices, hospitals

DIRECTIONS FOR USE

For best results, prepare the floor carefully. Clean floor thoroughly with STRIPPER. Rinse well and let dry. Apply SEALER freely with applicator. Let dry for at least 1/2 hour (longer is humidity is high). Apply thin second coat to assure thorough sealing. Let dry. For best results, apply additional coats for higher gloss or use a FLOOR FINISH over this SEALER.
