STEAM PRESSURE CONCENTRATE

steam
pressure
cleaner

**FAST ACTING
CONCENTRATED FORMULA
"BLASTS" DIRT & GRIME AWAY**

A unique blend of emulsifiers, penetrants, wetting agents, and water conditioners gives this pressure cleaner exceptional performance in cleaning grease, oil, carbon, and other tough soils. The concentrated formula dilutes with water and makes even tough jobs economical.

**A PRODUCT THAT IMPROVES THE
PERFORMANCE OF PRESSURE
WASH UNITS**

This special concentrated formula is designed for use in steam jennies or pressure washing equipment. The special formula holds the soil in suspension and the suspended soils can be easily rinsed away leaving no alkaline residue. Works in very hard water.

**EFFECTIVE AS A STEAM
CLEANING SOLUTION**

This highly alkaline cleaner works well as a steam-cleaner-solution. It is fast and effective for a variety of applications. Use for cleaning automotive parts, as well as washing trucks, road building equipment, commercial buildings, and a host of other uses. Excellent for manual degreasing also.

DESCRIPTION

This highly alkaline cleaner quickly penetrates grease, oil, and soluble accumulations. It is scientifically formulated to work most efficiently in steam jennies or pressure washing equipment. This degreaser is specially formulated to prevent clogging and has no fumes at use dilution. It also deodorizes as it cleans, eliminating unpleasant lingering odors.

APPLICATION

For use in all types of steam cleaning equipment and pressure washer equipment. Use for machinery cleaning, motor cleaning, grease pit cleaning, or for any other heavy duty cleaning need.

May also be used by any hand or other machine method of cleaning floors, walls, and all other washable surfaces.

DIRECTIONS

Use 1 gallon to each 4 gallons of water in machine solution tank. Adjust the solution valve for most efficient, yet economical dilution to suit cleaning need.

Use 1 gallon to each 20 gallons of water for hand cleaning of heavily soiled surfaces. ;

SPECIFICATIONS

Packaged:Drums, 5- gallon pails
Appearance:Clear liquid
Fragrance:Characteristic
pH:12.00
Flash point:None. Non-flammable
Solubility in water:Complete
Foam:Moderate
Fumes, vapors:None
Detergency:Excellent

PRECAUTIONS

Keep out of reach of children. Keep out of eyes. Avoid prolonged skin contact. Do not take internally. Rinse empty container with water and discard. This product is intended for industrial and commercial use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss, or damage, if product is used in any manner not in compliance with label direction or if precautions are not observed.
