DESCRIPTION

A highly concentrated liquid floor cleaner especially formulated to eliminate the source of organic odor, suppress and control bad odors. Naturally neutralizes and eliminates causes of odors with enzymatic action. Contains a special blend of bio-strains specifically designed to promote optimum activity to eliminate all organic odors. This product is concentrated and can be used at full strength -- a few drops at a time -- or in dilution.

APPLICATION

Use full strength, diluted or in solution - For use in:
Kitchen and restroom floors and walls
Waste Containers, Dumpsters, Chemical Toilets, Laundry Rooms, Locker Rooms,
Garbage Cans, Basements, Sickrooms, Hospitals, Nursing Homes, Washrooms,
Kitchens, Carpets, Drapes, Upholstery ... and/or wherever else an objectionable odor may occur

DIRECTIONS FOR USE

FOR WET MOPPING - Add two (4) ounces concentrate per gallon of water. Severe malodors may require more. DEODORIZING SPRAY - Add two (2) ounces of concentrate with water per quart spray bottle. Spray into upper atmosphere of area being treated using a fine mist sprayer. Do not overspray. Only a small amount is needed to successfully treat even the worst odors.
