DESCRIPTION

A liquid cleaner for steam jenny equipment that contains special additives to minimize foaming and help prevent lime and scale buildup in equipment nozzles. The concentrate cleans machinery, motors, and grease pits as well as floors, walls, and other washable surfaces by adapting dilution for any degree of soilage.

APPLICATION

**STEAM CLEANER CONCENTRATE *Phosphate*
Free • *Biodegradable* *Anti-Polluting* FAST
ACTING, FREE RINSING CONCENTRATE**

For use in all types of steam cleaning and pressure washer equipment.

DIRECTIONS

Use 1 gallon CONCENTRATE to each 4 gallons of water in machine solution tank. Adjust the solution value for most efficient, yet economical dilution to suit cleaning need. If surface to be cleaned is moderately soiled, reduce above dilution accordingly. Use 1 gallon CONCENTRATE to each 20 gallons water for hand cleaning of heavily soiled surfaces; here again, regulate dilution to fit need.

SPECIFICATIONS

Packaged: Drums, 5- gallon pails
Appearance: Yellow liquid
Fragrance: Characteristic
pH: 13.00
Flash point: None. Non-flammable
Solubility in water: Complete

PRECAUTIONS

Keep out of reach of children. Keep out of eyes. Avoid prolonged skin contact. Harmful if swallowed. Use in well ventilated areas. Rinse empty container with water and discard. This product is intended for industrial and commercial use and storage by trained service persons only. Manufacturer will not be responsible for any injury, loss, or damage, if product is used in any manner not in compliance with label directions or if precautions are not observed.

FIRST AID

EYES: Flush with large amounts of water for at least 15 minutes; contact physician.
IF SWALLOWED: Induce vomiting. Drink large quantities of water. Seek medical attention.
EXTERNAL: Flush with large amounts of water.
