

CHLORINATED FOAM CLEANER **Heavy Duty Cleaner Degreaser**

CLEAR LIQUID/CHARACTERISTIC VERY HEAVY CLEANING: Start with dilution of 1 part CLEANER with 2 parts cold or warm (not hot) water, and dilute this solution until a good cleaning job is achieved at the most economical dilution rate. No hard scrubbing is required, just apply the solution, let it soak in, and rinse off with water.

DANGER

Causes serious skin burns and eye damage.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE

FOR FLOORS: Mix 1 part CLEANER with 16-64 parts water, depending upon the amount of dirt and grease to be removed. Spray or mop cleaner onto floor, allow it to stand a few minutes (do not allow it to dry) and pick up with a clean mop. Rinse floor with clean water.

FOR WALLS: Mix 1 part CLEANER with 32-128 parts water. Starting at the bottom of wall, wash upwards using horizontal strokes. Rinse frequently with clean water. Before using on water-base paint, test a small section of color fastness.

FOR LIGHT CLEANING JOBS: Mix 1 part CLEANER with 128 parts water. Apply, let stand, and rinse with clean water.

SPECIFICATIONS

Packaged: 50 pound pails
Appearance:White powder
Fragrance:Lemon
pH:12.00
Flash point:None. Nonflammable
Solubility in water:Complete
Authorization:Authorization by USDA not needed
